CONTENT

2.30 hour workshop

- You will learn different techniques for block printing before creating your own bespoke Tea Towel
- Whilst your Tea Towel is drying you will have time to block print the gift bag, tag and wrapping paper.

This workshop is aimed at all levels and is a great introduction to block printing on fabric. Your tea towel will be heat set during the workshop making it washable without the fabric paints running!

All materials are included. Plenty of tea, coffee and biscuits.

Plenty of free parking onsite. Ground floor space with accessible toilets.

Only 4 participants per workshop.
